club history

The club has continued to have a strong presence throughout all grades and has won several premierships.

On Wednesday 23rd of May 1990 Mount Waverley Softball Club and Blackburn North Softball Club amalgamated to form Eastern Raiders Softball Club.

Both clubs saw the need for amalgamation as neither club could continue to operate as a separate entity. Members of each club were asked for input into the new club name and uniform design. Eastern Raiders was decided on as the name and the red, white and black colors of the new uniform were chosen. They bore no resemblance to the green and blue of Blackburn North or the green and white of Mount Waverley. It was thought that the name and color change would assist Eastern Raiders to a new start and to forge a new identity.

John Hollingsworth was the inaugural president of Eastern Raiders Softball Club.

In 1992 Burwood East Softball Club ceased to exist and their players merged with Eastern Raiders.

Since 1990, Eastern Raiders has been a successful member of the Waverley Softball Association. In the inaugural year they fielded 13 teams from senior A grade through to pixie C's. The club has continued to have a strong presence throughout all grades and has won several premierships along the way including Femme C (three), Under 16B (twice), U14B, Pixie B, Pixie B1 and Pixie C.

In 2003, Rebels Softball Club ceased to exist and a majority of their A grade team joined Eastern Raiders to play. Eastern Raiders won their first A Grade Premiership in 2005. In season, 2004- 05 Eastern Raiders fielded their first boys team in the Knox Association competition and were premiers. In June 2004 Eastern Raiders entered a team in the Victorian Masters.

We have been fortunate to have always had committed coaches, parents and players who have helped the club with coaching, scoring and administrating. This solid network of club members has been recognised with perpetual service awards. Some of these hard workers have also been awarded life membership in recognition of their outstanding contribution to Eastern Raiders (and with Blackburn North and Mount Waverley).

Current Life Members are Dot Taylor, Bert Donaldson, Colin Thomas (dec.), Marie Baker, Liz Baker (dec.), John Hollingsworth, Rosemary Hawkins, Kathy Sharp, Heather Raditsis, Jacinta Poole, Jenny Baker, Allison Pendlebury, Kerry Trevethan, Susie Heggie, Rodger Trevethan, Jennifer Guinane, Freya Carlson, Sue Donaldson, Marilyn Boumeester (Heggie), Judi Liddell (Munro), Barb and Chris Trengove.

Waverley Softball Association has also undergone many changes over the years and Eastern Raiders have maintained a strong presence and have continued to be a solid and well supported club throughout.

Many players from Eastern Raiders have represented Waverley Softball Association and also gone on to represent Victoria and Australia. Eastern Raiders continues to display its growth and strength by fielding up to 14 teams in all grades (both boys and girls) throughout the Waverley competition since the 2004-05 season.

1997

Bert Donaldson's softball career began when his daughters joined East Oakleigh Softball Club nearly 15 years ago. His duties began when his daughters joined Mount Waverley Softball Club where he was a committee member whose duties included umpiring coordinator and grounds duties for several years. Bert was instrumental in organising the club merger and was a member of the inaugural executive for Eastern Raiders. Bert was treasurer for 2 years, vice president for 1 year and president for 1 year. Bert's work in setting up a new club has had a great impact.

Dot Taylor began her commitment to softball with Blackburn North some 15 years ago when her daughters began playing. For 10 years Dot was in charge of club uniforms as a committee member, and in helping out with fundraising and club barbeques. When Blackburn North became Eastern Raiders Dot continued on committee for another 5 years, and was responsible for organising the present uniforms. Dot's assistance with uniforms, fundraising, match committee duties, marking of cards and experience in the running of the club was a valuable asset. For over half her years on committee, Dot's daughters were not playing members of the club and this makes her commitment and effort even more worthwhile.

Colin Thomas came from Waverley North Softball Club where he became involved after his daughter (s) began playing representative softball. On arriving at Blackburn North Softball Club he became heavily involved in building up the club with junior recruitment and coaching of junior teams. He was a committee member with Blackburn North and when they joined Mt.Waverley (addition) to form Eastern Raiders(, addition) Colin continued on the committee and was the major instigator in recruitment and school clinics each year. Colin's involvement each season has always included coaching (sometimes 3 teams a season - addition), and his influence has (delete) extended to almost every grade in the club. Colin's contribution and commitment to the club and the success and size of the club is testament to his commitment to junior recruitment. Many club members remember Colin still today and were saddened to hear that he passed away during 2007.

1998

Marie Baker was a member of Blackburn North Softball Club where her daughters began playing over 30 years ago. Marie was actively involved on committee and the executive, in coaching teams and in scoring for many, many years. As a member of Eastern Raiders Marie has continued her involvement as a club scorer, always making herself available to help out in any capacity.

Liz Baker originally played softball with Blackburn North Softball Club. Liz began her playing career nearly 33 years ago, and is still playing today. As a member of Blackburn North and Eastern Raiders, Liz has coached many teams, from pixies and juniors through to senior B and C grades. Liz has been a member of committee for many of those years and acted as the club treasurer for the last 4 years Liz received numerous club awards in recognition of her services. Liz's contribution spanned nearly 35 years. Eastern Raiders was saddened by the sudden passing of Liz in 2004. Her senior shirt number 23 was retired in her honour.

2001

John Hollingsworth was the inaugural president of ERSC after amalgamation of Mt Waverley and Blackburn Nth in 1990 for 2 years. John was president of Blackburn Nth prior to amalgamation where he coached B grade and A reserve. John was one of the main instigators of the 2 clubs amalgamating. John coached A reserve and then B grade from 1990–1993. John was the A reserve coach for 4 years from 94-99. In this role John made significant efforts to encourage the development and promotion of junior players within the club. The club welcomed John and his family back to Eastern Raiders in 2006 when his daughter began playing with us. John has also since returned as a Junior coach.

Heather Raditsis, originally from Blackburn Nth, began playing when she was 8 and has played consistently until her recent retirement. Heather began coaching pixie C's when she was about 13 and continued to coach and play. By age 18 she was playing A grade. During her 20's she also doubled up and played in at Melbourne during winter with a BNSC team. Throughout this time Heather continued to coach and umpire. With ERSC Heather continued playing in B grade. She was a member of committee for 4 years. Heather took over the uniform portfolio and was actively involved in running junior recruitment clinics at schools for many years, bringing many juniors to our club. Heather was registrar for 2 years in 1997-99. Heather coached several junior teams and was awarded the Ian Wilson trophy for coaching. Heather's involvement spanned almost 30 years.

Kathy Sharp originally began her softball with Blackburn East which merged to become Blackburn Nth and finally ERSC. Kathy has been a committee member and coach at Blackburn Nth and ERSC. At ERSC she has helped with many pitching clinics and coached several teams. Kathy began playing in about 1973 and has played continuously through to 2001. Kathy has been the pitcher in the A reserve team for many of those years and has enabled ERSC to maintain a competitive team. At both BNSC and ERSC Kathy has been awarded the Frimley's Player Service Award for her contribution to the Club. Kathy's playing career has spanned almost 30 years.

Rosie Hawkins began playing softball at Blackburn Nth in 1977, when she was 9 and has played since then. At ERSC Rosie has been an A reserve player. Rosie has been a junior coach for many years and has been won the Ian Wilson club coaching award on 2 occasions. Rosie has had several stints on committee where she has managed the umpiring, been scoring co-ordinator and more recently acted as the treasurer. Rosie has also received a Club service award for her efforts. Rosie's softball career has spanned almost 25 years active playing service.

Jacinta Poole joined ERSC in 1993 as an A reserve player. In 1994 she began coaching and has continued to coach senior teams up to A reserve level since that time. Jacinta joined committee in 1994 and was president for 3 years until 1998. In 2000 Jacinta returned as President until 2004 when she stepped down due to her commitments as the WSA President. She continues in coaching roles, and offering invaluable experience and support to the committee.

2002

Jenny Baker began playing with Blackburn North Softball Club, beginning 25 years of continual playing, most recently as an A grade player. As a member of BNSC and Eastern Raiders, Jenny began coaching pixie teams in her teens and has continued, most recently assisting with A reserve. Jenny has also been involved in pitching and catching clinics for the club for many years and has also served on committee and been a regular club umpire. Jenny has been a loyal and committed player and club member.

Allison Pendlebury began her softball career in Ballarat and joined Eastern Raiders in 1990, when she played for several years. After retiring from playing, Allison joined the committee in 1994. She has continued on the committee and has been the club match committee member for WSA since 1997, performing duties each Saturday. Allison has been a hard worker for the club since its inception – playing, supporting her daughter, scoring, being on the committee for many years and earning club service awards along the way. Allison is now a highly accredited scorer and continues to support many of our senior teams.

Kerry Trevethan began playing softball at the age of 11 for East Oakleigh Softball Club. She began coaching junior teams at the age of 14 and served as a player's rep. on committee. Kerry was a past secretary of EOSC and has served on the ERSC committee for many years. Kerry has played and coached senior teams at ERSC for a number of years and for the past three years has been involved in coaching the T-ballers of the club, where her kids have been playing. Kerry has received numerous service awards for her commitment to the club.

2003

Susie Heggie has played with Eastern Raiders since 1994 when she joined from Brandon Park to play State League with A reserve. Susie has always been an active member of the club, being secretary for seasons 1998/99 – 2000/01. Susie most recently has been the coach of the U16/Div 1 team for 2 seasons. Prior to that she coached the U19 team and the B grade team. Susie was awarded the Lindsay Baum trophy in 99-00 for her service to the club. Susie also served as President for the 2007-08 season.

Rodger Trevethan began his coaching career many years ago with East Oakleigh Softball Club assisting to coach junior sides. He went on to Assist Coach senior teams as well. When Eastern Raiders began in 1990, Rodger was Assistant Coach for F Troop. More recently he has been involved with the younger players in T-Ball and Primary B. He has been successful in developing a very competitive Primary B team both in 2002 and 2003 and derives a lot of enjoyment from developing the young players. This season Rodger coached four teams for both Eastern Raiders and Waverley. He coached both Primary B and C Grade teams for Eastern Raiders to premierships. He also coached the Waverley Under 12 Boys Saturday team to the Grand Final, as well as the Waverley U12 Boys Rep side which competed at Dandenong over Easter. Roger was awarded the Ian Wilson Coaching Award in 2000-01.

2004

Freya Carlson began playing in 1990 in Primary B when she was recruited by Colin Thomas to join the club. Since then, Freya has coached a Primary B and U14 teams. Freya has been on committee for several years and was the umpiring co-ordinator from 1998- 2000. Freya has always been involved in fundraising, has been newsletter co ordinator several times and in 2004 committed to ERSC's control room duties. All this time Freya continued to play and support the club. In 1998-99 she was awarded the Lindsay Baum trophy for her services to the club.

Marilyn Bouwmeester (Heggie) has been a player since 1990 when she joined Eastern Raiders. Marilyn has always been actively involved in the club, both on field and off field. Marilyn has coached the U14A team in 1990 with Colin Thomas, U16B in 1996, Primary B in 1999, and C reserve in 2002 and 2001, taking 3 of these teams to the finals series. Marilyn was a member of the committee in 1990 and was in charge of umpiring in 2002. In the between years Marilyn assisted with umpiring, umpire training and with Waverley umpiring, as can always be found turning sausages at fundraising BBQ's and presentation nights each year. In 2002 Marilyn was awarded the Butler Demolition trophy for her services to the club that season.

Jennifer Guinane joined the club in the early 1990's from Dandenong and has been a long serving B grade player since, only retiring after last season. In 1996 Jennifer joined the committee and has been an active coach of the junior B and Division 2 teams from 2001-2003. Jennifer has also scored for several teams during her time for teams that her daughters have played in, and continues to play and coach seniors.

Sue Donaldson started playing at East Oakleigh in 1981 when she was about 10 and went to Mt Waverley about a year or so later when the clubs merged. Sue was playing in A Reserve when Mt Waverley merged with Blackburn Nth to become Eastern Raiders in 1990. Sue has continued to play A Reserve/ A grade since that time. I think that they may have won an A Reserve premiership at Mt Waverley in the year before the merger and Sue was part of that team. Sue has not coached or been on the committee however she has been captain of teams she played in. Sue has also won many playing awards for batting and MVP throughout her career. One of the great things about Sue is not only is she a talented player but she has tremendous enthusiasm for the game and enjoyment is her key criteria. The 2004 season was her 24th anniversary as a player!

2006

Judith Liddell began playing softball in 1990. From 1992 she began playing for Eastern Raiders winning various team awards throughout her playing years for the club. She commenced her club committee life in 1993 and has held down various executive positions and key roles (including Uniform co-ordinator, Match Committee member, Umpiring co-ordinator). Judi's passion has been Junior Recruitment which she became involved in by helping Colin Thomas in 1992. Judi has contributed many hours to this important aspect of club life, juggling three small children of her own to impart basic softball skills, encourage children to have fun playing softball and ultimately get them involved in the game. Over the years Judi has coached various teams from t-ball through to B Grade and Masters and in 2005 both played and coached the C Grade team. Judi has given a lot of her time, energy and enthusiasm to Eastern Raiders and continues to do so.

2009

Chris Trengove effectively joined Eastern Raiders together with his eldest daughter in 1995, immediately offering help on the diamond. Since then Chris has coached 12 teams both junior and senior, running specialist training clinics and helping with individual player development. Chris is a level 4 softball statistician and has scored for numerous club teams over the years. Most recently Chris has turned to umpiring and 08-09 season achieved his level 3 umpiring accreditation. Raiders has also benefitted greatly from Chris' administrative talents, when he served as Club President from season 2004-05 for three years. In this time, he developed the Eastern Raiders website, which remains a fantastic resource for all club members and a draw card for new players. He also encouraged and supported the first boys team to represent Eastern Raiders.

Barb Trengove came to Eastern Raiders together with her eldest daughter in 1995 and promptly offered her help with scoring, even though she was new to the sport. Barb joined the Raiders committee for season 2001-02 and took on the role of Club Registrar, combining that with Club Secretary duties in 2004. In six years on the Raiders committee, Barb ensured that the club administration ran smoothly, efficiently and she established practices that continue to ensure Raiders is an efficient, structured, well-run club. Through the years of her involvement, Barb has continued to score for Raiders teams, helps with junior recruitment and training clinics, and finally picked up a glove a few years ago, promptly vying for batting awards (indeed winner B-Res 2006-07). Barb continues to help the Club and committee whenever asked and ensures our website is updated with stats, photos, news and upcoming events
